All proposals referred to the City Engineer for checking and report to the Council April 7th, 1948.

This being the time and place set in Resolution No. 1398 for the hearing of objections to the annexation of "Knoll Addition", publication of this resolution and the notice of hearing therein contained was properly proven and on a call for objections, the City Clerk reported no written protests. No persons appearing to object to the proposed annexation, Ordinance No. 368 was then introduced by Councilman Haskell, Tolliver second, and by the same motion laid over for the statutory period of not less than five days, said ordinance being entitled "AN ORDINANCE APPROVING THE ANNEXATION OF 'KNOLL ADDITION' TO THE CITY OF LODI, CALIFORNIA."

Ordinance No. 369, an emergency ordinance requiring conservation of electric energy in accordance with the regulations of the Public Utilities Commission and the Power Administrator of the State of California, having been regularly introduced and read March 24, 1948, was brought up for passage on motion of Councilman Haskell, Tolliver second, second reading omitted by unanimous consent and then passed, adopted, and ordered to print by the following vote:

AYES: Councilmen, Haskell, Tolliver, and Rinn

NOES: Councilmen, Lytle

ABSENT: Councilman, Riggs.

Mayor Rinn then signed Ordinance No. 369 in approval thereof whereupon this ordinance became in full force and effect.

City Treasurer-Collector Vincent C. Webb presented a summary of a tabulation of the operation of parking meters for a period of 20 operating days in March and a comparison of income from these meters with similarly sized cities in California. Copies furnished each Councilman.

Fire Chief George D. Polenske presented his report of activities of Lodi Fire Department for the quarter ended March 31, 1948, furnishing copies for each member of the City Council.

Mr. Neal Munson, proprietor of "Hires Bottling Company" 711 North Sacramento St., applied for the concession rights at the Lawrence Park Base Ball Field, setting forth the charges he would make and offering 15% of gross sales if granted this privilege. Application referred to the City Attorney for the drafting of an agreement to be submitted the Council at an early meeting for approval.

No action was taken on the request of Child Day Care Center, submitted through Park Superintendent W. L. Bruner, for landscaping around their building on Washington Street and Lodi Avenue.

City Attorney Glenn West was instructed to condemn a water pipe line right of way over the lands of Robert M. Lind and others in the N. W. $\frac{1}{4}$ of Sect. 5, T3N, R7E, and a contract for a similar right of way through the lands of C. R. Van Buskirk in the same quarter section approved by the adoption of Resolution No. 1409 introduced by Councilman Tolliver, Haskell second and carried by the following vote:

AYES: Councilmen, Tolliver, Haskell, Lytle, and Rinn.

NOES: Councilman, None.

ABSENT: Councilman, Riggs.

At 9:17 o'clock P. M. the Council retired into executive session, Mayor Rinn was excused at 9:27 P. M., Councilmen Haskell, Lytle, and Tolliver remaining until 9:34 P. M. when open meeting was resumed and adjournment had on motion of Councilman Tolliver.
